

## NAHSE Chicago Midwest Chapter Presents

*presents*

### **State of the Union Address: Black America and HIV/AIDS**

*A Panel Discussion on the Impact of Health Care Disparities*

**Thursday February 21, 2008  
6 pm – 8 pm**

Join the Chicago Midwest Chapter for this exciting event in honor of Black History Month that will seek to heighten awareness on the various health care conditions and issues that plague our nation, particularly HIV/AIDS. This event will feature an address by Sydney Thomas, COO of Provident Hospital and Dee Clayton, Director of Public Affairs. There will also be a panel discussion moderated by Sean Howard, Director of Public Affairs of Cook County Bureau of Health Services (CCBHS), consisting of community leaders and health administrators discussing the current state of Chicagoland minorities with respect to the condition and areas for growth.

#### Program Partners:

*Aids Foundation of Chicago  
American Cancer Society  
American Heart Association  
Cook County Bureau of Health Services  
Chicago Area HIV/AIDS Caucus / EAS  
Fertile Ground Foundation  
Tactics*
